

Antony, 24/07/2017

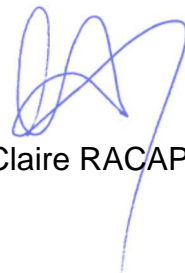

CERTIFICATE

I, undersigned **Claire Racapé**, acting as **Products Development Director** of **ICOPAL SAS**, whose headquarters are located 12 rue de la Renaissance-92184 Antony Cedex –France, do hereby certify that:

- Bituminous products in plates

do not contain substances that meet the criteria set out in Annex II, Part A of the REACH Regulation (UE) 2015/830. **They are therefore not dangerous products** and as such don't require a Material Safety Data Sheet (MSDS).

We are committed to inform our customers of any changes challenging the exemption stated in this document.
